The Putnam County Board of Commissioners and Council met in Joint Special Session on November 15, 2022, at 5:00 PM at the Putnam County Courthouse. Rick Woodall opened the meeting.

ANNEX

Board went over the study submitted by DLZ. Woodall asked if we wanted to move forward with a judicial center or an annex. Consensus was annex due to the judicial center costing millions more to build.

Another topic needing to be decided was if the county wanted to keep the Jones School property or sell it. Several years ago, an appraisal was done, and it came back \$100,000. They would not be able to find another location for an annex for that price. Consensus was to keep the property for an annex.

Woodall said they would reach out and get bids to tear down the old Jones school elementary.

Baker Tilly was working on the final numbers to present the county's financial report.

ADJOURN

Campbell made the motion to adjourn. Parker seconded. The motion carried.
