The Putnam County Board of Commissioners and Council met in Joint Special Session on October 3, 2022, at 10:30 AM at the Putnam County Courthouse. Rick Woodall opened the meeting and the pledge to the flag was given.

**DLZ ANNEX STUDY**

Laurie Christie with DLZ was at the regular meeting and was unaware of the special session. The Commissioners said they boards wanted to meet with them to discuss the study they did. They did see some typos in the study where it said Morgan County instead of Putnam and the address was incorrect. Then there were things not included in the study such as a magistrate office.

After some discussion, it was decided to advertise for a joint session on November 15, 2022, at 5:00 pm. DLZ would give a presentation and discuss the study.

**COUNTY BRIDGES**

Jim Peck discussed the condition of some of the bridges in the county. Passed out a summary of gathered information. He also submitted a bridge improvement recommendation and potential bridges he proposed to be closed. He would like to submit four bridges in the federal aid program.

After some discussion it was decided to wait until they received revenue information from the proposal Baker Tilly was working on. There was not a question of if bridges needed to be worked on or replaced. It was a matter of if there was money to do it.

**ADJOURN**

Woodall made the motion to adjourn. Berry seconded. The motion carried unanimously.
